

## Partners in Freedom

**Partners in Freedom** is a business/corporate fund-raising campaign of the Sheppard Military Affairs Committee (SMAC). Simply stated, without the funding, SMAC could not exist. *SMAC is a 501(c)(3) nonprofit organization, funded through public, business, and individual donations.*

Sheppard plays a vital role in not only Wichita County, but all of North Texas, both economically and socially. SMAC and our support partners are committed to help *Protect, Communicate, and Strengthen* Sheppard Air Force Base (SAFB). It is a commitment we have worked diligently to fulfill over the past twelve years and, with your support, we will continue to:

- **be vigilant in protecting current Sheppard AFB missions and aggressively pursue new missions.**
- **communicate with local, state and national leaders and decision makers who play a key role in Sheppard's future.**
- **maintain and strengthen our base/community relations.**

### Sheppard Air Force Base:

- ★ **is our area's largest employer**
- ★ **represents approximately 15% of our local economy - over \$800 million annually**
- ★ **directly and indirectly impacts area businesses, organizations, and the lives of all Wichita County residents and the residents of Duncan and Frederick, Oklahoma.**

Your investment in **Partners in Freedom** is an investment for the future of Wichita County.
